Retention, Destruction, and Anonymisation of Personal Data

Club Aquatique du Sud Ouest (CASO) takes the confidentiality of your data very seriously. We are committed to maintaining the trust and confidence of our customers and partners by adhering to the strictest personal data protection practices.

This policy describes our procedures and practices for ensuring that your information remains secure and is handled correctly at every stage of its life cycle.

Retention of Personal Data

We retain your personal data only for as long as is necessary for the purposes for which it was collected, or to comply with our legal obligations. Retention periods vary depending on the type of data and the purpose for which it is processed, in accordance with our data retention schedule and applicable legislation.

CASO ensures that this information is only used by duly authorized personnel.

Destruction of Personal Data

When your personal data is no longer required or when the applicable retention period expires, we will securely and irreversibly destroy it. We use certified destruction methods guaranteeing that your data cannot be recovered or reconstructed.

Security and confidentiality

We have implemented advanced technical and organizational measures to protect your personal data against unauthorized access, improper disclosure, alteration or destruction.

Our teams are trained in the best practices of confidentiality and data security and are required to respect confidentiality during their duties.

If you have any questions or concerns about how we process your personal data, please contact Josselin Floury at
